Sir:

REQUEST FOR CORRECTION OF INVENTORSHIP
UNDER 37 CFR § 1.48(A)

The Applicant respectfully submits this *Request for Correction of Inventorship*
Under 37 C.F.R. § 1.48(a) for the above-referenced provisional patent application.

REMARKS

The Applicant respectively submits this *Request for Correction of Inventorship Under 37 C.F.R. § 1.48(a)* for the above-referenced provisional patent application.

37 C.F.R. § 1.48(a) states:

* * * * *

(a) If the inventive entity is set forth in error in an executed § 1.63 oath or declaration in a non-provisional application, and such error arose without any deceptive intention on the part of the person named as an inventor in error or on the part of the person who through error was not named as an inventor, the inventorship of the non-provisional application may be amended to name only the actual inventor or inventors. Amendment of the inventorship requires:

(1) A request to correct the inventorship that sets forth the desired inventorship change;

(2) A statement from each person being added as an inventor and from each person being deleted as an inventor that the error in inventorship occurred without deceptive intention on his or her part;

(3) An oath or declaration by the actual inventor or inventors as required by § 1.63 or as permitted by §§ 1.42, 1.43 or § 1.47;

(4) The processing fee set forth in § 1.17(i); and

(5) If an assignment has been executed by any of the original named inventors, the written consent of the assignee (see § 3.73 (b) of this chapter).

Regarding (a) (1) above, a request is hereby made to correct the inventorship of the present non-provisional application. The correct inventorship of the non-provisional patent application should be:

Amanda Baer
Benjamin L. Wang
Marie-Claire Cyrille
Frederick H. Dill
Cherngye Hwang
Jui-Lung Li
Mustafa Pinarbasi

As apparent, the erroneously omitted named inventor, Mr. Jui-Lung Li, is being added to the inventorship for the above-referenced non-provisional patent application.

Regarding (a) (2) above, a signed statement by Mr. Jui-Lung Li which confirms that the inventorship error occurred without deceptive intention on the part of the inventor is attached herewith.

Regarding (a) (3) above, a declaration by the inventor as required by § 1.63 is attached herewith.

Regarding (a) (4) above, the processing fee set forth in § 1.17(i) is hereby submitted with use of the Deposit Account as provided on the fee transmittal.

Regarding (a) (5) above, the written consent of the assignee which confirms ownership is attached herewith.

Since all of the necessary provisions of 37 C.F.R. § 1.48(a) have been fulfilled, it is hereby requested to correct the inventorship of the above-referenced non-provisional application as provided above.

Respectfully Submitted,

/John J. Oskorep/
